

# LIGHTS! CAMERA!

## THE PS32 ANNUAL BASH

Dear Neighbors and Friends,

PS32 needs your help! As parents of children in this vibrant elementary school on Hoyt Street in Carroll Gardens, we invite you to participate in our biggest fundraiser — The PS32 Annual Bash: **Lights! Camera! AUCTION!** — to be held March 23rd at the Mark Morris Dance Center. Please consider donating an auction item or sponsoring our event. Through your support you can introduce your business to more than 400 Brooklyn families and their friends.

### WHY PS32?

PS32 is a neighborhood school and provides vital specialized services, including an ASD/Nest program that is a model for educating children on the autism spectrum and a Gifted & Talented program that draws learners from across District 15. This summer, we broke ground on a 436-seat addition that will replace classroom trailers that have been used for more than a decade. The expansion will accommodate a rapidly growing student body while strengthening the programs that make our school unique.

### WHERE WILL THE MONEY GO?

Last year's event raised \$87K to fund essential support and enrichments for PS32 students. Proceeds provided supplies for the school nurse, offset the cost of field trips, and funded our allergy awareness program. We were able to make recess programming possible, keeping our kids moving and playing while our outdoor space is under construction. We funded everything from a summer reading program to translation services for parent communications to Family Fun Nights. We brought the Metropolitan Opera Guild, Hour of Code, and Arts Connection into our classrooms, connecting students with artists and innovators. We funded our garden and environmental education program which continues to thrive, despite the loss of much of our outdoor space during construction. Your donation will allow us to continue to make these programs and supports possible while increasing our ability to respond to the needs of our staff and teachers.

We hope we can count on your support. For more information on the event or to discuss sponsorship opportunities, please contact us at [springauction@ps32.org](mailto:springauction@ps32.org).

Sincerely,

The Parents of PS32
