

Dear New Second-Grader,

Next year will be very exciting! We will be studying New York City all year in social studies. This will be a year filled with many trips and projects all about the wonderful city we live in.

This summer, when you are traveling around New York, pick things up that will remind you of where you have been. It could be leaves from a park, a used-up Metrocard, a subway map, a brochure from some place you visited, and/or ticket stubs from a movie/play/sporting even. Maybe you'll take some pictures or find postcards. If you eat at a restaurant with take-out menus, bring one of them home. Sketch places you see, or write about things you do. Even the view outside your window relates to New York City!

Put all these things in a plastic bag, and bring them to school for your first days of second grade. Have a great summer!

Sincerely,

The PS 32 Grade 2 Teachers
